

EH-TW5700

DATASHEET / BROCHURE

Enjoy the big screen experience with this affordable, high-quality 1080p home cinema projector with gaming features and built-in Android TV™

Bring family and friends together to watch films, sports and play games with this affordable Full HD home cinema projector with 2,700 lumens and 35,000:1 dynamic contrast ratio. Home Entertainment comes to life with bright and vivid images thanks to 3LCD technology, which is up to three times brighter than 1-chip DLP projectors¹. It's easy to set-up too with keystone correction and 1.2x manual zoom.

Big screen experience with gaming features

With this Full HD home cinema projector you can create the big screen experience with images reaching up to 332 inches (762cm). It can handle the most atmospheric scenes with clearly defined shadow detail and deep blacks, increase brightness with dark gamma uplift and extend your resolution to 21:9 for a more enhanced gaming experience.

Simple set up

The compact and lightweight EH-TW5700 is easy to move, plus the vertical lens shift, 1.2x zoom and keystone correction ensure it's fuss free to position the picture. Accessing entertainment is easy with built-in Android TV and a 1.4 HDMI port. With Bluetooth AptX you can connect to a soundbar, Bluetooth speaker or headphones.

Experience vivid and lifelike images

Epson's 3LCD technology radiates exceptionally bright yet colourful images by producing an equally high White and Colour Light Output. Even in bright living rooms, this Full HD 1080p projector delivers 2,700 lumens and a 35,000:1 contrast ratio.

11 years of entertainment²

Looking for a long-term, hassle-free and affordable solution for your entertainment needs? With the EH-TW5700, you could watch a film every day for 11 years thanks to the long-lasting lamp light source².
